## *Welcome Message*

On behalf of Nokhba Eye Center, it is our great pleasure to welcome you to this scientific meeting.

We gather today with a shared vision: advancing knowledge in ophthalmology, fostering collaboration among professionals, and exploring new horizons in eye care. At Nokhba Eye Center, we believe that excellence in clinical practice is deeply rooted in continuous learning, research, and the exchange of ideas.

This meeting is not only an opportunity to discuss the latest developments in ophthalmic science and technology, but also a chance to strengthen the bonds within our medical community. Together, we can shape the future of eye health and ensure better outcomes for our patients.

We extend our sincere gratitude to all distinguished speakers, participants, and organizers who made this event possible. Your presence enriches this gathering and reflects a collective commitment to innovation and progress in ophthalmology.

Welcome once again, and we wish you a productive and inspiring meeting.
