## WELCOME MESSAGE

**Dear friends and colleagues,**

It's a great honor to welcome you all to attend **the first meeting of the curative ophthalmological hospitals summit. ( COHS )** which will be held on **26 september 2024, Steigenberger hotel el tahrir, Cairo.** This conference has been a dream come true to gather all the ophthalmology hospitals of the main sector (curative sector) of the Egyptian ministry of health together in one summit to express the work and share the experience with one another in the efforts of improving the service produced and refining the knowledge and experience of the our doctors.

The organizing committee has arranged an exciting program and I am pleased to announce our guests of honor in this conference which are: The memorial institute of ophthalmological research and the research institute of ophthalmology in which they will add a great value to our agenda as a token of their support and collaboration to enhance the benefit of our health organization and increase the bond between the different sectors of the egyptian health system.

I wish you all a fruitful meeting and may it be the first of many to come

Conference President  
Dr. Ramy Abo El Ezz
