WELCOME MESSAGE

On behalf of Heliopolis hospital we have the pleasure inviting you for participation in our first emergency cardiology summit.

Our summit is discussing all the hot-topics in our field, update in guidelines in management of different acute cardiac events.

It serves as a bridge between experts as well as health care providers enhanced by its well organized scientific session and a lot of case presentation in field of emergency introduced by highly skilled operators.

In support of improving patient care, this activity has been planned and implemented to yield effective teams working together to identify, avoid and resolve complications in relation affected by cardiac diseases.

Our program include also a course for Tec nurses as an integral member in our practice that include quality control, infection control and life support.
